BONUS AI-POWERED APPLICATIONS (INCLUDED IN EVERY PACKAGE)

The Shepherd Technology platform isn't just one tool — it's a full AI-powered marketing & sales suite.

Every package includes 10+ built-in applications designed to multiply your results:

- **AI Email Marketing** – Personalized campaigns at scale
- **AI SMS & Text Messaging** – Automated follow-ups that get replies
- **Ringless Voicemail Drops** – Reach your database without dialing
- **Direct Mail Automation** – Postcards & letters triggered by lead behavior
- **Social Media Posting** – Consistent, branded content across channels
- **Data Enrichment Tools** – Update emails, verify numbers, and unlock insights
- **Behavior Tracking & Lead Scoring** – Focus only on leads ready to convert

Instead of paying for 6–10 different platforms, you get them all-in-one, powered by AI.
